

I'm Alive My Children Are Dead-Or Are They? (Paperback)

By Dr Diana Gordon, Di Gordon

Balboa Press, United States, 2013. Paperback. Condition: New. Language: English. Brand new Book. When faced with a sudden and unexpected crisis, when faced with a death of a child, where your whole life is changed forever, where interacting with life is a huge challenge, where everyday matters are difficult to cope with and life seems insurmountable, how does one go on? How does one gather the strength and the courage to pick up the pieces of a shattered life? This book is the story of a mother's journey in a sudden and dramatic crisis-a descent into darkness and the journey back into the "light." It is a journey of hope, love, survival, self-empowerment, and healing. It is a journey she hopes will inspire and uplift all who have lost a child or a loved one. She discovers that her children are still "alive" in their spiritual bodies-dead to this world but "alive as shining lights" in the evening sky.

Reviews

Without doubt, this is the very best job by any article writer. It typically does not cost too much. You are going to like just how the blogger write this pdf.
-- Jazmyn Beier II

This book can be worth a read through, and far better than other. It can be writter in easy phrases instead of confusing. You will not really feel monotony at at any moment of your respective time (that's what catalogs are for concerning if you check with me).
